

# REACH – Kjemisk regulativ

**REACH, regulativ nr. 1907/2006 om registrering, evaluering, autorisering og begrensning av kjemikalier.**

REACH krever at tilstrekkelig informasjon om særlig farlige stoffer (SVHC) som er brukt i produkter i en konsentrasjon over 0.1% vekt pr. vekt (w/w) blir opplyst om for å gjøre sikker bruk av produktet mulig.

Tabellen under omfatter 191 REACH SVHCs (særlig farlige stoffer) som er oppdatert av ECHA den 27. juni 2018.

(<http://echa.europa.eu/candidate-list-table>)

**Følgende produkter inneholder SVHC i konsentrasjoner over 0.1% w/w.**

| Product                                       | Description                           | Substance Name                          | EC No.    | Information on safe use                       |
|-----------------------------------------------|---------------------------------------|-----------------------------------------|-----------|-----------------------------------------------|
| BP71GA3                                       | Glossy A3 Photo Paper                 | Boric acid                              | 233-139-2 | Do not allow to come into contact with mouth. |
| BP71GA4                                       | Glossy A4 Photo Paper                 | Boric acid                              | 233-139-2 | Do not allow to come into contact with mouth. |
| BP71GP20<br>BP71GP50                          | Glossy 10cm x 15cm Photo Paper        | Boric acid                              | 233-139-2 | Do not allow to come into contact with mouth. |
| BA-9000                                       | BATTERY FOR PT-9600                   | Bis (2-ethylhexyl)phthalate (DEHP)      | 204-211-0 | Do not keep the battery cover open.           |
| Carton boxes                                  | AiRScouter 300 series                 | Tetraboron disodium heptaoxide, hydrate | 235-541-3 | Do not allow to come into contact with mouth. |
| Carton box for specific toner cartridges (*1) | Outer Carton for toner cartridges     | Disodium tetraborate decahydrate        | 215-540-4 | Do not allow to come into contact with mouth. |
| Carton box for Supply Inkjet head unit (*2)   | Inner carton for protecting head unit | Disodium tetraborate decahydrate        | 215-540-4 | Do not allow to come into contact with mouth. |

PRINT HEAD SUPPLY UNIT M17HT (D00STP001), PRINT HEAD SUPPLY UNIT S13(LK6584001)

**Stoffer nevnt i tabellen under kan finnes i Brother produkter i større mengder enn terskelen på 0,1 vektprosent på individuelt komponentnivå, men ikke over 0,1 vektprosent på den samlede produktvekt.**

| Item                                | Product                                                                                                     | Substance Name                                                                                                            | EC No.    | Information on safe use                        |
|-------------------------------------|-------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------|-----------|------------------------------------------------|
| Inkjet head actuator                | All of the inkjet "All in One" printers                                                                     | Lead titanium zirconium oxide                                                                                             | 235-727-4 | Do not break inkjet head units                 |
| Flexible Flat cable of thermal head | MW-145BT                                                                                                    | 1,6,7,8,9,14,15,16,17,17,18, 18-Dodecachloropentacyclo[12.2.1.16,9.02,13.05,10]octadec a-7,15-diene ("Dechlorane Plus"TM) | 236-948-9 | Do not break to open device cover              |
| HD cable                            | AiRScouter WD-350                                                                                           | 1,6,7,8,9,14,15,16,17,17,18, 18-Dodecachloropentacyclo[12.2.1.16,9.02,13.05,10]octadec a-7,15-diene ("Dechlorane Plus"TM) | 236-948-9 | Do not break cable cover                       |
| Solenoid for print mechanism        | See the model names in the following footnote (*3)                                                          | 1,6,7,8,9,14,15,16,17,17,18, 18-Dodecachloropentacyclo[12.2.1.16,9.02,13.05,10]octadec a-7,15-diene ("Dechlorane Plus"TM) | 236-948-9 | Do not break to open device cover              |
| Copper alloy Plugs for Power Cord   | All Printers, All in One printers, Fax machines, P Touch products, QL Products, Stamp Creator and PocketJet | Lead                                                                                                                      | 231-100-4 | Keep out of the reach of children.             |
| Copper alloy Motor Gear             | All Printers, All in One printers, Fax machines, P Touch products, QL Products, Stamp Creator and PocketJet | Lead                                                                                                                      | 231-100-4 | Keep out of the reach of children.             |
| Copper alloy Motor Sleeve           | All Printers, All in One printers, Fax machines, P Touch products, QL Products, Stamp Creator and PocketJet | Lead                                                                                                                      | 231-100-4 | Keep out of the reach of children.             |
| Parts containing iron shaft         | All Printers, All in One printers, Fax machines, P Touch products, QL Products, Stamp Creator and PocketJet | Lead                                                                                                                      | 231-100-4 | Keep out of the reach of children.             |
| Liquid Crystal Display unit         | See the model names in the following footnote (*4)                                                          | Tetraboron disodium heptaoxide, hydrate                                                                                   | 235-541-3 | Do not break the Liquid Crystal Display Panel. |
| Liquid Crystal Display Cover        | TP-M5000N "TapeCreator"                                                                                     | 2-(2H-benzotriazol-2-yl)-4,6-ditertpentylphenol (UV-328)                                                                  | 247-384-8 | Do not break the Liquid Crystal Display Panel. |
